

Dual Credit Classes

Enrollment in JEL courses offers an opportunity for students to earn college credit as well as high school credit. This will save time and money because students won't have to take these classes in college.

The following are requirements for students to earn dual credit:

- Enrollment in the required dual credit institution.
- Register for the dual credit course.
- If applicable, complete pre-requisites.
- See jelcc.com/dual-credit for deadlines and updated information.

Check with program instructors for specific dual credit information.

Cost of dual credit classes:

Ivy Tech: No charge

Vincennes: No charge

Governor's Work Ethic Certificate

The employability skills recognized in the Governor's Work Ethic Certificate (GWEC) have been vetted by Indiana employers, community based organizations, and both K-12 and post-secondary education institutions and are designed to encourage students to meet the benchmarks that will assist them in their college or career goals.

In addition, GWEC is part of the Graduation Pathways alignment; earning the GWEC satisfies Work-Based Learning Experience requirement.

Certifications

JELCC students have the opportunity to earn certifications in their classes, many of which are state recognized.

What are the benefits of earning certifications?

- Build your resume
- Gain professional credibility
- Fulfill a requirement for Technical Honors Diploma
- Set yourself apart from your peers
- Gain knowledge and skills in your career pathway

National Technical Honor Society

JELCC students have the opportunity to be nominated for and inducted into the National Technical Honor Society (NTHS).

NTHS honors the achievements of leading CTE students, provides scholarships, and cultivates excellence in today's highly competitive, skilled workforce.

JELCC's NTHS program recognizes students who maintain a 3.0 cumulative GPA or higher, demonstrate leadership, participate in service learning, and exemplify honorable character.

Career and Technical Student Organizations

Career and Technical Student Organizations, commonly referred to as CTSOs, are youth organizations designed to support students in Career and Technical Education Programs.

CTSOs are considered an integral part of CTE; they help students develop the technical and leadership skills that will enable them to succeed in their career paths.

These youth organizations are a co-curricular part of the programs at JELCC.
