

ORDERING TRANSCRIPTS

If you have taken dual credit courses with Ivy Tech Community College and would like to order your transcript for use at another college or university, there are a few simple steps you will need to take. Please note that if you plan to attend Ivy Tech upon graduation from high school, you will not be required to provide your Ivy Tech transcript for your dual credit coursework. You will, however, need to provide your high school transcript in the assessment step of Ivy Tech's enrollment process.
